

Alabama Trucking Association Workers Compensation Fund

Dear Fund Member

With cutting edge technology at your finger tips, the Alabama Trucking Association Workers Compensation Fund will be providing claim information to each Fund Member via e-mail and internet access. Claims information can be provided for each Fund Member on a quarterly basis.

Here is how it works.

1. Each quarter participating Fund Members will receive an e-mail announcing that your claim information is ready for viewing.
2. You can then log onto a secure website (with a username and password we will provide for you) and review your company's claim information only. It's simple and easy.

Just by answering a couple of questions, we can begin the setup process. First we will need this form returned to our office, either accepting or declining the offer to receive claim information. Include the name and e-mail address of the person your company would like to receive this claim information.

Yes our company would like to receive quarterly claims information _____.

No we decline to receive quarterly claim information _____.

Company Name _____.

Employee Name (Print) _____.

Employee Signature _____.

E-mail Address _____.

Please return this form to our office by e-mail or fax either accepting or declining this offer. Please return by e-mail to ktyus@atacompfund.org .
