Dear Mr. Coaker,

I am writing this letter to express how appreciative we at PTS System are to have an organization such as yours and the Alabama Trucking Association working for companies like ours.

We have been a member of the Alabama Trucking Association for approximately 14 years and have been a participant in the Workers Compensation Fund for the same period. I am embarrassed to say this is the first time we have bothered to say Thank You for all the hard work you do for us.

I would especially like to say thanks to Harold Smith for the time and effort he put in, helping PTS with some compliance issues. Because of a lot of hard work from our employees and a lot of guidance from Harold, we now have obtained our Satisfactory safety rating again.

Please accept and pass along to the Alabama Trucking Association the attached check for one thousand dollars as a token of our appreciation for all your two organizations do for companies like ours.

Sincerely,

Bill Rutledge
President
PTS System
